Perry Elementary Title I Reading  
Rachel Conklin Amy Rockafellow

Dear Families,

February 7, 2020

Your child, \_\_\_\_\_, has been identified to participate in the Perry Elementary Title I Reading Program. Title I is a federal program that assists schools in funding additional support for students in core content areas. Title I instruction is supplemental, and does not take the place of regular classroom instruction. The purpose of Title I is to help all students achieve success in meeting academic expectations.

Three times throughout the school year, all students at Perry Elementary School take part in school wide reading assessments. Your child's teacher and the Title I Reading staff have reviewed the results of your child's most recent reading assessments. Based on a careful review of these measures, your child was identified to continue receiving Title I Reading intervention.

Your child was receiving Title I intervention from \_\_\_\_\_ .

Your child will now be receiving Title I intervention from \_\_\_\_\_ .

The goal of the Perry Elementary Title I staff is to work together with families in order to ensure academic success for students. Your family is a necessary part of your child's reading and writing success. If you would like more detailed information about your child's testing, Title I intervention, and/or how to help support your child's learning at home, please feel free to call or send an e-mail.

Sincerely,

Perry Elementary School Title I Teachers
